Grant of timber at cost price for charitable buildings.

Letter No. _____ dated _____

from _____

I. Convent of the Good Shepherd.

The quantity required by the Lady Superior was 10,000 cubic feet of Teak wood for the Convent School at Bangalore. 4,000 C.ft. of 1st or 2nd Class teak-wood and an equal quantity of 2nd or 3rd Class were granted at 8 annas a cubic foot, subject to the condition that the Building for which Govt.

Govt Pro: No. 953-5 dy 17
27th April 1891.

ud[7] as above was given should be used only for public charitable purposes under the Educational grant-in-aid rules in force for the time being. The concession granted amounted to Rs 7,000/- as particularized in the margin. The Lady Superior paid Rs 2000 and a balance of Rs 2731 outstanding as reported by the Inspector General of Forests was remitted by His Highness the Maharajah as a further help.

Objects of the Institution.

Building an Orphanage Boarding and Day school for the accomodation of 300 children.

x. Value of 1st or 2nd class teak wood at the average market rate of Rs 1-8-- per c.ft for 4000 cft — Rs 6,000

Value of 2nd or 3rd class wood at Rs 1-4-- cft for 4,000 cft — Rs 5,000

Total Value ... 11,000

Deduct -

Cost charged at a uniform rate of 8 annas a cft. ⊛ 4,000

Value of Exception 7,000

⊛. Note -

The Difference between the figures (4731 - 4000) is not explained in the correspondence.

II. Rai Bahadur A. Narainaswamy Mudaliar's High School.

The quantity applied!

Govt Pro: No 943-6/15 of
27th April 1891.

for by Mr Narra
Swami Modaliar was
10,000 cubic ft of teak
wood. In april 1891,
Government sanctioned
5000 C ft of 1st or 2nd
class and 5000 C feet
of 2nd or 3rd class teak
at 8 annas per cubic ft
for his High School
than under construction
in the Civil and Mili-
tary Station of Banga-
lore. The grant was
made subject to the
condition that the
building should be used
only for public charitable
purposes under the Con-
ditional grant-in-aid
Rules. The concession
granted amounted to
Rs. 8750 as particularized
in the margin.

× Value of 5000 cft of 1st or 2nd class wood at the average market value of 1-8- per cft — Rs. 7500
Value of 5000 cft of 2nd or 3rd class at 1-4- per cft — 6250
Total Value — 13,750.
Deduct — Cost charged at a uniform rate of 8 annas a cft — 5000
value of concession — 8750.

The

4 The objects of the Institution.
Giving Enquish and Vernacular Education, Children of poor families being admitted free of School fees.

III. St. Joseph's Convent St. John's Hill Cleveland Town.

750 C.ft. of 1st class and 750 C.ft. of 2nd class Oak wood were granted at the uniform rate of 8 annas per C. foot for the Girl's School built by the sisters of the Convent, subject to the condition that the building should be used only for public charitable purposes under the Educational-grant-in-aid rules. The quantity asked for by the sisters was 700 cubic ft. This was found to be wrong by the Inspector General

Pro: No 1959-61 dy 4th May 1892.

who recommended a grant of 1500 Cft of oak wood. The concession, if calculated as in other cases, amounts to Rs 1,312—8—0 as particularized in the margin

Objects of the Institution

Imparting Education to the girls of all classes and creeds in St Johns Hill.

IV St Martha's Hospital Bangalore

Pro: No 4574 3/121 dy 3rd Nov 1884.

In addition to the donation of Rs 5,000 promised towards the construction of the Hospital and the free grant of a site, an exemption from Seignorage upon such timber as might be brought from Mr Fitz Gibbon's

estate in the Kadavu District had also been promised The Lady Superior representing that the cost of transporting the timber would be very heavy, the Govt. sanctioned in lieu of the exemption of the seigniorage the grant of 3,000 Cft. of teak wood fit for the proposed building at half the price usually charged to the public. Assuming that the wood is of the 1st class, the concession amounts to Rs 2,250

objects of the Institution

Rendering gratuitous medical aid to the public

V. Roman Catholic Convent School Nupore

The quantity of teakwood

Pro: No. 2476-8 of
R7105-92
17.8.92

required for this school building was about 5030 c.ft. The Inspector General of Forests recommended that the whole quantity may be issued from the Govt wood yard at 8 annas per c.ft, half the quantity being of the 1st or 2nd class and the other half 2nd or 3rd class the value of which concession would have been between Rs 5344 and Rs 5973 as noted in the margin. As the grant of timber at cost price absorbed the liability of the ~~Govt~~ grant, the Government decided to grant the concession in the shape of money and granted Rs 5,500

X.

2515 c.ft 1st or 2nd class = 4401-4

Please see appended letters which treat as private.

Grant of timber at cost price for Charitable buildings.

This had been done in some instances. Please note these in a short memo: specifying amounts, dates, objects &c. Latterly we decided it was bad policy to do this and decided that the grants should be money ones, where the State felt itself under an obligation to grant them as aids to charities. Please quote the more recent instances of our substituting money grants for timber grants applied for.

My Dear Dewan.

The Municipal Committee of Bangalore are now proposing to make the much needed increase to the accommodation of the Bowring Hospital and also certain improvements, such as isolating contagious wards &c. &c. The estimate will probably come to some 60 or 70 thousand. Mr. Thumboo Chetty has most generously come forward with a donation of Rs. 10,000 towards the scheme and another gentleman is prepared to put down Rs 5000/-.

I am informed by the Residency Surgeon that 22 per cent of the patients treated in the Bowring Hospital come from the surrounding Districts of Mysore and it has therefore occurred to me that His Highness might be willing to assist the Municipality in carrying out this praiseworthy scheme. One of

the heaviest items in the estimate will naturally be timber, and I am told that while the selling price is Rs 2 per c.f.t, the cost price of timber is about one-fourth. Any conception between these two limits would make a considerable difference, and if offered to the Municipality would, I have no doubt, be highly appreciated as a graceful act of liberality on the part of H. H. whose subjects are treated freely in the Hospitals.

Please understand that this is a private letter and that I am merely making a suggestion which would conduce to H. H's popularity with all classes here.

I am &c

Signed Henderson.

Bangalore.
19th April 1893.

My dear Sir.

12

I have undertaken to erect a Dispensary for out patients of all classes and wards for caste women in the compound of the Bowring Hospital at a cost of Rs 10,000/. The cost is likely to go up to Rs 15,000. My object in writing to you is to request His Highness' Govt for the grant of timber required, if not free, at least for the cost price.

25% of the total patients treated in the Bowring Hospital belong, I am told, to the Bangalore District. Last month 34 persons were admitted to the Hospital who were non-residents of the C. & M. Station.

My dispensary and caste wards will, when completed, be useful not only to the residents of the station but also to those residing in the

neighbouring villages outside the Station. Under these circumstances I shall feel greatful, if towards completing the Dispensary and Wards I have undertaken to build, His Highness the Maharaja is graciously pleased on your kind recommendation to sanction the requisite quantity of timber being granted to me free or for cost price as was done in the case of Aicot Narrainswamy Modaliar and Convent School buildings

I remain,
My dear Sir
Yours Very Sincerely.
Signed. T. R. A. Thumboo Chetty

To
V. Sheshadriger Esqre L.C.E.
Dewan of Mysore

Dear Sir

I must thank you for your kindness in favoring our application for timber for the new School. I send you a copy of the plan and estimate of it. The

situation will be in the Convent compound on the back side. There is one drawback, a Mahomedan Tomb prevents the site of the building, and so we would like to have it removed, if it is possible, we shall deem it a great favour if that could be done by you, as we have

tried and failed to succeed.

OFFICE OF THE INSPECTOR GENERAL OF FORESTS AND PLANTATIONS IN MYSORE,

Dated Bangalore/14 July 1892

Enclosures. Two.

From

The Inspector General of Forests,

Mysore.

To

The Chief Secretary to the Government of Mysore.

SIR,

I have the honor to acknowledge receipt of your docket No: 5621/79 dated 28th ultimo forwarding for opinion an application of the Lady Superior of the Convent of the Good Shepherd at Mysore for help by way of timber. In reply, I beg to state that I have ascertained from Mr. Standish Lee, Sanitary Engineer, Special Improvements Division, Mysore, that the total quantity of Teak wood required for the proposed School building is about 5,030 cft. which I beg to recommend being issued from the Woody end at Mysore to the Lady Superior on the same terms as those upon which a similar grant was made to the Orphanage and Boarding School at Bangalore in Govt Pro: No: 953-5/17, dated

+ Copy sent herewith (Vide P. for 16)

27th/29th April 1891, viz. half the quantity or 2500 cft being of the 1st or 2d class and the remaining 2530 cft of the 2d or 3d class, and the whole 5030 cft being charged at 8 annas per cft.

2. It is observed from the letter dated 13th ultimo of the Mysore Lady Inspector to the address of the Dewan, that a Mahomedan Tomb obscures or spoils the site of the proposed School building. As this building is ornamental in its way, I take the liberty of suggesting for the consideration of the Dewan, if it might not be feasible to request the President of the Mysore Municipal Board to lend his aid in either removing, if possible, the Mahomedan Tomb, or if this cannot be done, helping in the acquisition of further land so that the proposed convent School may stand out in good relief and add to the ornament of the place.

3. The Plan and Estimates are herewith returned.

I have the honor to be,
Sir,
Your most obedient Servant,

Inspector General of Forests.

Aug 4th 1892.

Letters dated 10th and 13th June 1892 from the Lady Superioress of the Convent of the Good Shepherd, Mysore

Letter No. 1189/92 dated 14th July 1892 from the Insp. General of Forests in Mysore

SECTION 5.7 of the
FILE No. 11-91
SERIAL No. 7

Order thereon:-

No 2676-8 D/17-8-92
R.7105-92 17

The Lady Superioress of the Convent of the Good Shepherd at Mysore applies for the grant of timber for the proposed Roman Catholic Convent School at Mysore:

2 On the analogy of the sanction accorded in Proceedings etc No 953-57 17

2 Draft for approval

Put up to the Govt

The grant of timber at cost price rather obscures the liberality of the Govt. proper to give the Govt. worth is the Concession proposed herein. Let us grant it as a grant in aid as we did in other cases. Please get the sanction & draft amendment to the Ed. Budget probably Can't pass it as I can give the order now. Sanction for this purpose as an addn. to Budget

Sir

Submitted
Mr
1/8/82

In reply to your letter of the 16th Inst.
I beg to thank you for the grant you have
so kindly given us for the building of a School
I find the grant very small when compared
with the estimate, and therefore beg of you to be
good enough to increase it, for we will find
it impossible to raise the required sum for the
building as all our small resources are taken
up in the maintenance of the poor and destitute
who come to us.

In our letter to you of the 10th June we asked
for a grant of timber for the proposed building,
which you kindly answered in the affirmative

We now beg of you kindly to let us know the quantity of timber we can expect to have and to give us the permission to take it from the Wood yard.

With regard to the tomb which will be in the way when building the Deputy Commissioner would be reluctant to act if the intimation came from us. He would do it with more effect if the order came from higher authorities.

I beg to remain
Sir
